

APTA Safety Spotlight Webinar: FTA Safety Updates

January 12, 2023

Angela Dluger

Deputy Associate Administrator, Transit Safety and
Oversight

Federal Transit Administration

U.S. Department of Transportation
Federal Transit Administration

Agenda

- FTA Safety Advisory 22-4 Suicide Prevention Signage
- Transit Advisory Committee for Safety (TRACS) Appointments for 2022-2024
- National Roadway Safety Strategy
- Fall 2022 Unified Regulatory Agenda Overview
- Upcoming Webinars

FTA Safety Advisory 22-4

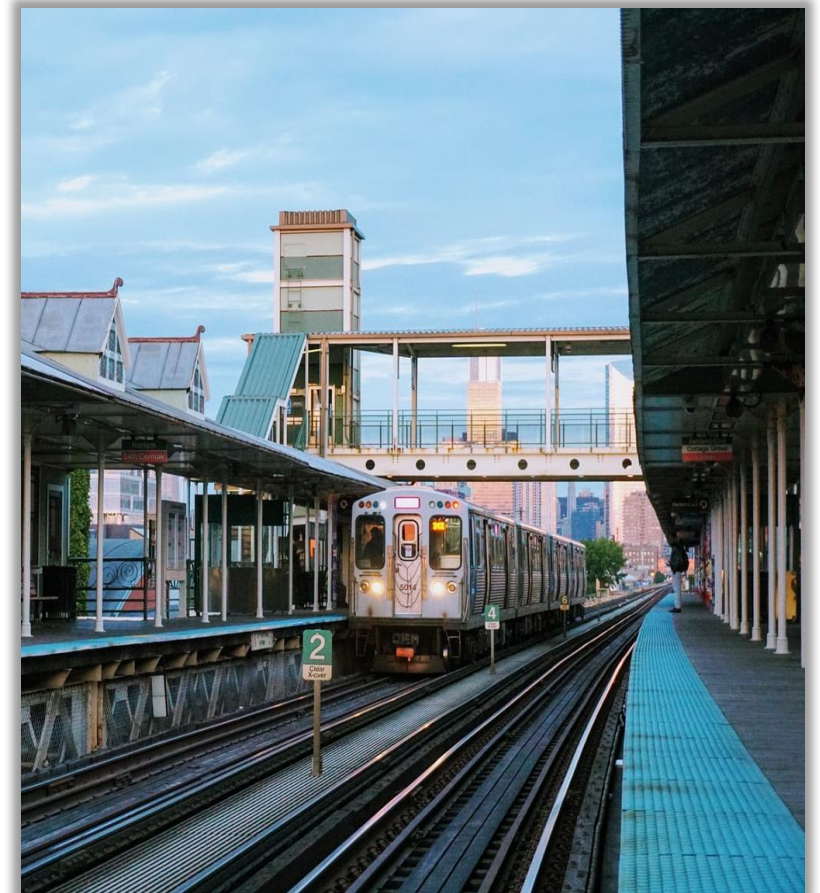

Safety Advisory 22-4: Suicide Prevention Signage on Public Transit recommends that transit agencies apply best practices for reducing suicide attempts to their suicide prevention signage and messaging campaigns and advises transit agencies to assess suicide event data to monitor the impact of signage effects.

Visit FTA's [Safety Advisories webpage](#) for more information.

Transit Advisory Committee for Safety

- Secretary Buttigieg announced the appointment of the 2022-2024 Transit Advisory Committee for Safety (TRACS) members on December 15, 2022.
- TRACS meets as a full committee at least twice a year.
- The first committee meeting open to the public will take place on Thursday, January 31, 2023.

Visit FTA's [TRACS webpage](#) for more information or email tracs@dot.gov.

Publication of Fall 2022 Unified Regulatory Agenda

NEW: Transit Worker Fitness for Duty

- Establishes minimum standards related to transit worker fitness for duty

Rail Transit Roadway Worker Protection

- Establishes minimum baseline standards and risk-based redundant protection requirements

State Safety Oversight

- Introduces changes to clarify State Safety Oversight Agencies' (SSOA) oversight responsibilities and authority to conduct inspections

Public Transportation Safety Certification Training Program

- Amends training curriculum to reflect new requirements and training course information

Public Transportation Agency Safety Plans

- Incorporates new requirements established through the Bipartisan Infrastructure Law

Visit the [RegInfo.gov](https://www.reginfo.gov) for more information.

National Roadway Safety Strategy

- The U.S. Department of Transportation's National Roadway Safety Strategy aims to significantly reduce serious injuries and deaths on our nation's roadways and highways.
- Nearly 95% of transportation deaths occur on streets, roads, and highways.
- Call to Action campaign is launching in early 2023—we need your commitment!

Visit the [National Roadway Safety Strategy webpage](#) for more information.
