Non-Major Worker Assaults (No injury. FTA defines "injury" as transport for medical attention away from the scene, for example by ambulance).

An assault on a transit worker is a circumstance in which an individual knowingly, without lawful authority or permission, and with intent to endanger the safety of any individual, or with a reckless disregard for the safety of human life, interferes with, disables, or incapacitates a transit worker while the transit worker is performing the duties of the transit worker.

No Non-Major assaults to report
