

## 2025 NTD Safety & Security Quick Reference Guide – Non-Rail Mode Reporting

**Reportable Event:** A safety or security event occurring on transit right-of-way or infrastructure, at a transit revenue facility, at a maintenance facility, during a transit related maintenance activity, or involving a transit revenue vehicle. *Excluded from this event-reporting requirement are: events that occur off transit property where affected persons, vehicles, or objects come to rest on transit property after the event, OSHA events in administrative buildings, deaths that are a result of illness or other natural causes, other events (assault, robbery, non-transit vehicle collisions, etc.) occurring at bus stops or shelters that are not on transit-owned property (unless boarding/alighting at the time), collisions that occur while traveling to or from a transit-related maintenance activity, collisions involving a supervisor car, or other transit service vehicle operating on public roads.*
