

DOD Skillbridge Program *with the* **Federal Transit Administration (FTA)**

We are excited to present the DOD Skillbridge program with FTA as an opportunity for active service members to gain valuable civilian work experience and develop additional skills through specified industry training and internships.

WHY SKILLBRIDGE WITH FTA?

- **The skillbridge program will bridge the gap between your end of service and the start of your civilian career.**
- **Strong possibility of post-experiential employment with FTA.**
- **Engagement and networking opportunities with Military and employer communities**
- **Service members will still receive military pay and benefits throughout Skillbridge opportunity.**

**Check out what opportunities may be available with FTA at the DOD Skillbridge website.
