Hurricane Sandy Competitive Resilience Program

This application form collects information from eligible applicants affected by Hurricane Sandy in areas for which a major disaster has been declared by President Obama under the Stafford Act. This information will be used for the purpose of allocating supplemental emergency funding through FTA's Public Transportation Emergency Relief Program.

Organization Legal Name:						
FTA Recipient ID Number:						
Applicant Type:	○ State					
	 Tribe Existing FTA grantee (local governmental authority or public transit agency) Other entity as subrecipient to FTA grantee Entity responsible for intercity passenger rail project 					
	Other		•			
	If Other, Specify:

Project Executive Summary:
Does this project improve the resiliency of an asset damaged or destroyed by Hurricane Sandy? Yes No
Is this project compliant with FEMA's Best Available Flood Hazard Information Plus One Foot? Yes No
If Not Feasible, Please Explain Why (To Include Other Mitigation Measures):
Describe how this project addresses each of the following evaluation criteria specified in the Notice of Funding Availability:
Hazard Mitigation Cost Effectiveness (HMCE) (Must Be Accompanied by HMCE Analysis):
Project Implementation Strategy & Timeline:
Protection of Most Essential & Vulnerable Infrastructure:
Local & Regional Planning, Collaboration & Coordination:
Interdependency of the Public Transportation Resilience Project:

ation of Local Financial Commitment:				
Mon of Eccur marcial communicity.				
tion of Technical Capacity:				
	to a preparation of comments
